Features

- ✓ **QR Code Visitor Passes**
 - Recurring QR Code Visitor Passes refresh when used, eliminating screen shot sharing & increasing security; they can be stored in your digital wallet or calendar for easy access.
 - Temporary QR Code Visitor Passes can also be stored in your calendar for easy access.
 - QR Codes reduce the need for more easily shared PIN codes, increasing security.
- ✓ **PIN Code Visitor Passes**
 - PIN Codes are stored locally and will always work as long as the device has power.
- ✓ **Administration Management & Control**
 - Administrator can choose to manage and send Visitor Passes to visitors on resident request or grant residents access to send any of the 3 Pass types: Recurring, Temporary or Single-Use.
- ✓ **Simple to Issue**
 - Visitor Passes can be created in the CellGate app or via TrueCloud Connect™.
- ✓ **Tracking Logs**
 - TrueCloud Connect™ logs every Visitor Pass usage attempt, including a picture of visitor when utilized with Watchman™.
- ✓ **Time & Expense Savings**
 - Eliminates costly and time-consuming physical key/fob management.
